

FUEL CAN PRINT TEMPLATE

Every effort is made to ensure the artwork is accurate and suitable for the required product. Unless otherwise stated all artwork will be sized to the maximum print area of the product. We should remind you that the final checking must rest with you and /or your client. Corrections not found at this stage can only be recified at your expense. This is a visual guide only. Colours and sizes may not be true to finished items. By approving this artwork you give permission for the manufacturer to reproduce the logo. I understand that all screens produced are the property of manufacturer.

Order No.
